My dear Mr. Pehle:

Reference is made to the visa petition executed by Mrs. Hilde Apt Littauer of 370 Central Park West, New York, N.Y., in behalf of her father Richard Apt, presently residing at Barracke #28, Lager Bergen-Belzen bei Zelle, Hanover, Germany.

The records of this office show that on March 6, 1941, a petition for issuance of immigration visa submitted by Mrs. Hilde Apt Littauer, in behalf of Richard Apt, was approved and forwarded to the Department of State on April 2, 1941; for transmission to the American Consul nearest the place of residence of her father. Mr. Richard Apt was born in Hamm, Germany, on January 15, 1876.

The visa petition recently submitted by Mrs. Littauer does not show that her father has been in the United States subsequent to the approval of the previous petition given on March 6, 1941. Therefore, the authorization appears to be outstanding and action on the new petition is regarded as unnecessary.

A copy of the letter addressed to Mrs. Littauer is attached.

Reference is made to your newly executed petition for issuance of immigration visa in behalf of your father, Richard Apt.

As the present petition indicates that your father has not been in the United States subsequent to the approval of the first petition, the authorization appears to be outstanding and action on the new petition is regarded as unnecessary. The financial evidence has been forwarded to the Department of State.
