My dear Mr. Pehle:

Reference is made to the desire of Mrs. Katherine Baran, 186 East 2nd Street, New York 9, New York, to bring to the United States, her husband, Senko Baran, who when last heard from was residing at Podsosnow, Poczta Mikolajow Kolo Gaju, Pow. Bobrka, Malopolska, as well as her daughter, Maria, residing with him, who is apparently a citizen of the United States.

The records of this office show that on November 29, 1941 an approved petition for issuance of immigration visa submitted by Mrs. Katarzyna Szymanska Baran in behalf of her husband, Senko Baran was forwarded to the Department of State for transmission to the appropriate American Consulate in Poland.

Mrs. Baran's letter of November 30, 1944 does not indicate that her husband has been in the United States subsequent to the approval of the previous petition given on February 4, 1941. Therefore, the authorization appears to be outstanding and she has not been requested to file another petition.

A copy of the letter of this office to Mrs. Baran is attached. A copy of this letter is being forwarded to the Department of State.

My dear Mrs. Baran:

Reference is made to your letter of November 30, 1944 regarding your desire to bring to the United States, your husband, Senko Baran and your daughter, Maria, born in Poland.

A petition for issuance of immigration visa executed by you in behalf of your husband and daughter was approved for the husband and forwarded to the Department of State on November 29, 1941 for transmittal to the appropriate American Consulate in Poland. The reason approval was not given in behalf of your daughter was that she was apparently a citizen of the United States at birth by virtue of your citizenship, and you were advised to communicate with the American consul regarding the issuance of a United States passport to her.

As you indicate in your letter that your husband has not entered the United States since the approval given to your petition on February 4, 1941, the authorization appears to be outstanding and it will not be necessary for you to file a new visa petition.

A copy of this letter has been forwarded to the War Refugee Board at Washington, D. C., for its information. If you desire further information regarding the procedure to be followed by you in bringing your husband and daughter to the United States, it is suggested you write to the Department of State, Washington, D. C.

The records of this office show that on November 15, 1944 an approved petition for issuance of immigration visa submitted by Mr. Biermann in behalf of his mother, Mary Biermann was forwarded to the Department of State for transmission to the appropriate American consulate abroad. Mr. Biermann has been advised that he is not entitled to file a visa petition in behalf of his sister.

My dear Mr. Biermann:

Reference is made to your letter of November 14, 1944 regarding your desire to bring to the United States, your sister, Mrs. Grete Bruckner, born in Vienna and a citizen of Yugoslavia.

The petition for issuance of immigration visa which you executed in behalf of your mother was approved by this Service and forwarded to the Department of State on November 15, 1944. Since there is no provision in the immigration laws for exemption from or preference within the quota to be accorded to the sister of a citizen of the United States by reason of that relationship, it appears that it will be necessary for your sister to file an application for a non-preference visa under the appropriate quota.

The Department of State and the War Refugee Board are being advised of your desire to locate your sister.

My dear Mr. Pehle:

Reference is made to the visa petition executed by
Mrs. Herta Braun Hessing, 8 Stonewall Road, Berkeley 5,
California, in behalf of her mother, Sophie Braun, pre-
sently residing at Theresienstadt, Czechoslovakia.

The records of this office show that on March 26,
1941, a petition for issuance of immigration visa sub-
mitted by Herta Braun Hessing, in behalf of Sophie Braun,
was approved and forwarded to the Department of State on
April 11, 1941, for transmission to the American Consul
nearest the place of residence of her mother, which was
then given as 16 Drei Koenigstrasse Freiburg, Baden,
Germany. Mrs. Sophie Braun was born in Eisenach, Thuringia,
Germany, on September 15, 1879.

The visa petition recently submitted by Mrs. Herta
Braun Hessing does not show that her mother has been in the
United States subsequent to the approval of the previous
petition given on March 26, 1941. Therefore, the author-
ization appears to be outstanding and action on the new
petition is regarded as unnecessary.
