My dear General O'Dwyer:

Reference is made to the visa petition executed by Mrs. Sophie Kopec Phipany in behalf of her mother, Mrs. Ludwika Kopec, whose last known address was Wies Piatkowiec, Posta Mielec, Powiat Mielec, Poland.

The records of this office show that on November 1, 1940, a petition for issuance of immigration visa submitted by Mrs. Sophie Kopec Phipany, 107-24 91st Street, Ozone Park, L. I., New York, in behalf of her mother, Mrs. Ludwika Kopec, was approved and was forwarded to the Department of State on December 3, 1940, for transmittal to the American Consulate nearest her residence which was then given as Wies Piatkowiec, Posta Mielec, Powiat Mielec, Poland. Information contained in our files show that the authorization was forwarded to the United States Consulate in Berlin, Germany, on December 9, 1940. Mrs. Ludwika Kopec was born in Wies Piatkowiec, Posta Mielec, Powiat Mielec, Poland in May 1886.

A copy of the letter addressed to Mrs. Sophie Kopec Phipany is attached.

My dear Mrs. Phipany:

Reference is made to your letter of February 22, 1945, requesting information concerning the visa petition filed by you in behalf of your mother, Mrs. Ludwika Kopec, presently residing at Wiesz Piatkowiec, Posta Mielec, Powiat Mielec, Poland.

The records of this office show that on November 1, 1940, the petition for issuance of immigration visa submitted by you in behalf of your mother, Mrs. Ludwika Kopec, was approved and was forwarded to the Department of State on December 3, 1940, for transmittal to the American Consulate nearest her place of residence abroad which was then given as Wiesz Piatkowiec, Posta Mielec, Powiat Mielec, Poland. Information contained in the files of this Service indicate the authorization was forwarded by the Department of State to the American Consulate in Berlin on December 9, 1940. As your mother has not been in the United States subsequent to the approval given on November 1, 1940, the authorization appears to be outstanding and you need not file a new petition in her behalf.

Your mother's case has been presented to the Executive Director, War Refugee Board, Washington, D. C., for consideration under the refugee program which has been instituted to assist certain relatives of United States citizens to make arrangements to come to the United States.

Sincerely yours,

My dear General O'Dwyer:

Reference is made to the desire of Mrs. Sarah Pollak Ungar, of 644 Bedford Avenue, Brooklyn, New York, to bring to the United States her husband, Arnost Ungar, whose last known address was Buchenwald K. L., Barakke 17, Germany.

The records of this office show that on January 18, 1939 a petition for issuance of immigration visa submitted by Sarah Pollak Ungar in behalf of her husband Arnost Ungar was approved for a first preference status and was forwarded to the Department of State on March 30, 1939 for transmission to the United States consulate nearest the place of residence of the beneficiary, which at that time was given as Bratislava, Hummelova 13, Czechoslovakia.

The petition executed by Mrs. Ungar on February 27, 1945 does not indicate that her husband has been in the United States subsequent to the approval of the previous petition given on January 18, 1939; therefore, the authorization appears to be outstanding and no action has been taken on the present petition.

A copy of the letter of this office to Mrs. Ungar is attached. A copy of the present communication is being furnished the Department of State.

My dear Mrs. Ungar:

Reference is made to the petition for issuance of immigration visa recently executed by you in behalf of your husband, Arnost Ungar, whose last address was Buchenwald K. L., Barakke 17, Germany.

It appears from the records that a similar petition filed by you in your husband's behalf was approved for a first preference status for him in the issuance of an immigration visa and was forwarded to the Department of State on March 30, 1939 for transmission to the appropriate United States consul abroad. Your husband's residence at that time was given as Bratislava, Hummelova 13, Czechoslovakia. As the present petition does not show that your husband has since entered the United States, the authorization given in 1939 appears to be outstanding and action on the new petition is regarded as unnecessary.

A copy of this letter has been forwarded to the War Refugee Board at Washington for its information.

The financial evidence which you submitted has been sent to the Department of State for consideration in connection with the case.
