Dear Mrs. Kober:

Reference is made to your letter of June 2, 1944, offering to provide a home for two refugee children between the ages of ten and fifteen.

Your offer to take these children into your home is very genuine evidence of the personal responsibility you feel for sharing the freedoms which we Americans enjoy. I suggest that you write to Mr. Joseph E. Beck, National Refugee Service, 139 Centre Street, New York City, who may be in a position to be of assistance to you or to give you information as to the procedure to follow in this matter.

Very truly yours,

(Signed) J. W. Pehle

Dear Mr. Pehle:

We are much interested in the work of the War Refugee Board and are writing to inquire whether there will be any need of placing refugee children in private homes in this country.

My husband and I are Jewish and have no children of our own. We feel that our income would permit us to share our home with two children between the ages ten to fifteen.

We would be very grateful if you would refer this request to the appropriate individual in your organization so that he can give us all necessary information.

Sincerely,
