My dear Rabbi Hager:

I send you my greetings on the occasion of the New Year. May the coming year see the end of the awful chapter which the old year has written in Jewish history and bring new hope to all of the civilized and freedom-loving peoples of the world.

Sincerely yours,

Dear Mr. Pehle:

In these turbulent times, amidst the war upheaval, Jewry will usher in the New Year 5705-Rosh Hashonah-equivalent to September 17, 1944. As usual, the Synagogue Light will publish a special edition which will include greetings of the season from various leaders in America to Jewry at large.

Since we will be compelled to go to press earlier than heretofore due to war restrictions, we urge you to send in your manuscript on or about August 1.

Thanking you for your continued cooperation and with warm personal regards, I am

Cordially yours,
