Dear Mr. Morewitz:

Your letter of January 24, 1944, to President Roosevelt concerning the new War Refugee Board has been referred to this office.

The interest which you have expressed in the President's new program of help to the persecuted minorities of Europe is greatly appreciated. I assure you that everything in our power will be done to see that effective action is taken to carry out the policy of this Government to save the victims of enemy oppression who are in imminent danger of death.

Your offer of assistance in this great task is appreciated.

Very truly yours,

Dear Mr. President:

Secretary to the President

It was with a great deal of admiration and respect that I read recently of your plan to appoint a committee to go about helping to evacuate certain persecuted individuals who are doomed to almost certain extinction in Europe.

I am writing to you at this time to offer whatever possible help I can give in this matter, morally or financially. Please advise any way in which I can do my share.

I am hoping to have a reply at an early date.

Yours most sincerely,

Harry A. Morewitz
