Secretary Morgan Kousser,
Washington, D.C.

Dear Sir:- Why couldn't the
problem of post-war Germany
and the problem of a home land
for the Jewish people be
solved by giving the control of
Germany to the Jews, with the
aid of their supporters?

In spite of whether there should
be countries trained and able
Jews who belong in Germany.

One thinks of you as the
most powerful American friend
the Jewish people have.

Very truly,
Virginia D'Amico
