Dear Mr. Segal:

The following message for you from Mr. Neustadt was received through the American Consulate General in Jerusalem under date of October 2, 1944:

"According to your letter dated July 28, you have instructed us via cable to place \$28,000 at the disposal of Yarblum Silbershein. No such instructions were contained in your telegrams of July 27 and August 7, 8, 29, or 31. On the contrary you stated that sum similar to that we received was also transmitted by you to Geneva. We have received two sums 1,728 from Amalgamated and 196,000 from Montreal and received additional 1,231 from Amalgamated September 29 and nothing else. If you intended us to transfer eight thousand from this sum to Yarblum Silbershein please cable us to that effect. We read with greatest interest your reports mentioned in third paragraph of your July 28 letter, and all friends expressed great satisfaction over your replies. We thank you. Word has been received from Yarblum new location; he is very active and contact with him is being maintained."

Very truly yours,
