Dear Mrs. Rapport:

I have your letter of May 9, 1944, to Mr. I. A. Hirschmann, in which you suggest the availability of a lot on Brigantine Island as a haven for refugees.

Your interest in bringing this to our attention is appreciated.

Very truly yours,

(Signed) J. W. Pehle

song for just such a purpose and which, in a given time, would be made very profitable to the "state" by such industrious workers, as refugees can be.

It is quite a large place, apparently uninhabited. I own a lot there which cost me about \$3000 = price and 17 years taxes and at present is worth \$100. I'd give up the lot to help out.
