

RELIEF IN FINLAND

PARAPHRASE OF TELEGRAM RECEIVED

WAR Rel Control Bd.

FROM: American Mission, Helsinki
TO: Secretary of State, Washington
DATED: March 14, 1945

CONTROL COPY

Again, on March 13, I took up with Orluv the subject of American relief activities in Finland of the type mentioned *not in files* in the Department's cable of January 25, No. 4, and subsequent cables. He said that he had not as yet heard from Moscow. Orluv conjectured that the delay might have been occasioned by the Yalta Conference and possible endeavor to work out a formula which would be of general applicability. Also I informed Orluv that American organizations desired to get this work under way in Finland as soon as possible. This matter will again be taken up with the Finnish Government by Orluv.

The foregoing message was repeated to Moscow as my No. 29 for information of the Embassy.
