Dear Mrs. Auspitz:

I have your telegram of May 4, 1944, requesting the assistance of the War Refugee Board in aiding certain members of your family to escape from Hungary.

Your appeal for assistance for the rescue of your family from the Nazis meets with the fullest sympathy of the Board. I am sure you will understand, however, that the task of the Board is so great that, of necessity, it cannot deal with problems limited to seeking out and rescuing specific individuals. The Board is directing unstinted efforts to the solution of the problems precipitated by recent developments, and I assure you that everything in its power will be done to rescue and save the victims of enemy oppression who are in imminent danger of death.

I suggest that you may wish to refer your problem to a private organization. There is enclosed a list of some of the organizations which I am advised may be in a position to be of some help to you.

Very truly yours,

J. W. Pehle
Executive Director
