

Requests for Specific Aid: BAYOR, ELIZABETH (MRS.)

DEC 4 1944

Dear Mrs. Bayor:

I have your letter of November 21, 1944, concerning your desire to have your brother and your niece come to the United States from Hungary.

The Board, in collaboration with the Department of State, has developed a program calculated to assist persons in enemy controlled areas for whom American immigration visas were authorized on or after July 1, 1941.

If the visa for which your brother applied was authorized or renewed on or after that date, I suggest that you advise us as to his full name, the date and place of his birth, the date of issuance or authorization of such visa or renewal thereof, and the file number assigned by the Department of State to any correspondence in connection therewith.

If no such visa was authorized or renewed for your brother or your niece on or after July 1, 1941, I regret that there is no specific action that the Board can take in their behalf beyond its general programs in the interest of the victims of enemy persecution. Please be assured, however, that we are doing everything within our power, consistent with the successful prosecution of the war, to assist the victims of enemy persecution and we sincerely hope that the Board's efforts have helped them.

Very truly yours,

(Signed) J. W. Pehle

Dear Sir:

Will you please advise me, how  
could I, or you, bring to this Country  
my brother, and my niece from  
Axis dominated territory. (Last address  
Budapest.) My brother's application  
for a visa at The American consulate  
Budapest, reached the top of the list  
just before communication stopped.

Awaiting your information  
respectfully yours

Elizabeth Bayor
