Dear Joan:

President Roosevelt has asked me to answer your letter of June 25, 1944, in which you ask that your cousin be brought to the United States from an orphanage in Italy.

I am sure you will understand when I tell you that the job the War Refugee Board has to do, in saving as many lives as possible, is so great that it is not able to find and rescue any especially named people.

I am sending you a list of private organizations which I am advised may be able to help you, and suggest that you write to any one of them concerning your cousin.

Sincerely yours,

J. W. Pehle

Dear Mr. President

I am a little girl ten years

My daddy received a letter from Italy
saying that things over there are so bad
that my little cousin had to be put in an
orphanage.

I would like to have her come here
with me. I have no sisters or brothers.
Could she come here as a refugee. I wish
you could help me.

My name is Joan DiConza & live in
Natick, Mass.

Yours Truly
Joan DiConza
