

Requests for Specific Aid: GILDENHOUK, ISOR

000554

JUN 1 - 1945

Dear Mr. Gildenhour:

Since our conversation of May 28, 1945, relative to the problem of locating your wife and son who are somewhere in Poland, I have made inquiries concerning channels through which you might learn their present whereabouts. I am informed that the American Red Cross is now in a position to assist in problems of this nature and that the office which handles such requests is located in the basement of the Corcoran Art Gallery.

Very truly yours,

(Signed) Florence Hodel
