Dear Mr. & Mrs. Kohn:

Mrs. Roosevelt has referred to me your letter of April 5, 1944, concerning the possibility of rescuing your children from Hungary.

Your appeal for assistance in rescuing your children from the Nazis meets with the fullest sympathy of the Board. I am sure you will understand, however, that the task of the Board is so great that, of necessity, it cannot deal with problems limited to seeking out and rescuing specific individuals. The Board is directing unstinted efforts to the solution of the problems precipitated by recent developments, and I assure you that everything in its power will be done to rescue and save the victims of enemy oppression who are in imminent danger of death.

I suggest that you may wish to refer your problem to a private organization. There is enclosed a list of some of the organizations which I am advised may be in a position to be of some help to you.

Very truly yours,

J. W. Fahle

Dear Mrs. Roosevelt,

*we are desperate
parents, we beg you to help us in our
unhappiness, to save the lives of our
children, whose life is in big danger
in Hungary, under the biggest murderer.
We know from our own experience (we
were saved from Vienna) what fate
awaits the Jewish people in Hungary.
We don't know what to do, so we
apply in our helplessness to a mother
too who will comprehend our pain.
We beg you, don't let perish, these young
intelligent people.
We hope it will be possible for you, as
the First Lady of this country, to prevent
this big unhappiness.
Our dear God will protect your dear
children from all bad, and we pray
that our plea will be full filled.
Our good Off. it is since VI 1941 n. y.
V.D. 811-111 in the Department of Immigra-
tion in Washington.
Her honor will kindly excuse the liberty
we are taking in addressing our appeal
to you.*
