Dear Mr. Kramarsky:

This will acknowledge your letter of October 18, 1944, and its enclosure, concerning your desire to verify your belief that your niece is among those at a Displaced Persons Center in Briery, France.

I regret to advise you that the Board is not in a position to be of service to you in this matter. I suggest, however, that you refer your problem to the American Red Cross which may be able to be of some assistance to you.

I am returning your clipping herewith.

Very truly yours,

Attention: Mr. John W. Pehle

Gentlemen:

I beg to hand you enclosed a picture clipping, which was published by the New York Sun in their issue of October 11, 1944.

I now recognize on this picture a niece of mine, Miss BELLA HECKSCHER who lived formerly in Arnheim, Holland. I did not hear from her for more than 4 years and it is quite probable that she was deported to France. I marked the resp. person with a red square on the picture. Her parents, who are living in England, did neither hear from hear anything.

I now take the liberty to ask you, whether you would be kind enough to establish AT MY EXPENSE by cable or airmail, if the person on the picture is really identical with my niece and if you would let me know at your earliest convenience her exact address sothat I could get in touch with her.

Thanking you for your prompt and kind attention,
I am,

Very truly yours,

FELIX KRAMARSKY
