Dear Mr. Leibrunder:

Reference is made to your letter of February 19, 1944, requesting the assistance of the War Refugee Board in bringing your son, Michel, to the United States.

I think you will understand that the task of the Board is so great that, of necessity, it cannot deal with problems limited to seeking out and rescuing any specific individuals. We shall, of course, do everything in our power to rescue and save the victims of enemy oppression who are in imminent danger of death.

I suggest that you may wish to refer your problem to a private organization. There is enclosed a list of some of the organizations which I am advised may be in a position to be of help to you.

Very truly yours,

(Signed) J. W. Pehle

Dear Mr. Pehle,

A few weeks ago I wrote
to Mr. Hubbard Travers, Chief Visa
Division, explaining to him
that I want my son, Michel
Leibereder, age 12, now residing
at Pau, France, to come to the
United States if it is at all possible
under the new established
War Refugee Board. Mr. Travers
informed me that possibly you
could help me.

I can give you all
the information about Michel
which you will need. I am
now an American citizen, my

wife is an American-borne.

Could you please let me know if it would be possible for Michel to come with either a group or as a single individual.

Sincerely yours,
Maurice Fibrucci
