Dear Master Lerner:

The President has asked me to thank you for your letter of August 31, in which you express your desire to share your home with a Jewish refugee child.

Your wish to help some one less fortunate by making it possible for them to enjoy as your companion the comforts and freedom of an American family is in keeping with the spirit and traditions of our country.

I suggest that you write to Mr. Joseph E. Beck, National Refugee Service, 139 Centre Street, New York, New York, explaining what you want. He may be able to help you or to tell you how to go about accomplishing your aim.

Sincerely yours,
