Dear Mr. Mancuso:

I have your letter of March 27, 1944, requesting the assistance of the War Refugee Board in bringing your nephew to the United States.

As you state in your letter that your nephew is a prisoner of war, it would appear that your problem does not come within the jurisdiction of the Board.

It is regretted that we are not in a position to be of assistance to you.

Very truly yours,

J. W. Pehle
Executive Director
