

Requests for Specific Aid: PROKOP, MIRON Z. (S/Sgt.)

MAY 12 1945

Dear Sergeant Prokop:

I have your letter of April 22, 1945, inquiring as to how you may locate your wife, Joanna Zawadowska Prokop, who is believed to be somewhere in Poland.

It is my understanding that, in view of the very limited facilities presently available for communicating with certain newly liberated areas, the Red Cross is best qualified to assist in problems of this nature. Accordingly, I suggest that you ask that organization to help you to send a message of inquiry through the International Red Cross in an effort to learn the present whereabouts of Mrs. Prokop.

Very truly yours,

(Signed) Florence Model

Gentlemen:

Request information as to how I can locate my wife, Joanna Zawadowicz Prokop, somewhere in Poland. Her last known location obtained in a message February 1943 was Babice n. s. Pow Przymysl, Poland.

Petition for Visa has been approved by the Immigration & Naturalization Service, U. S. Department of Justice and forwarded to the Department of State July 7, 1938. This information was received by me in a letter from the U. S. Department of Justice, Immigration & Naturalization Service, Philadelphia, dated March 15, 1945 (File No. V 263637, Miron Z. Prokop V/P&PXU). Financial evidence was returned, advising me to forward it to the appropriate American Consul or directly to my wife.

Her present location is required in order to forward financial evidence, as stated in above mentioned letter, a copy of which was forwarded to your office by the U. S. Department of Justice.
