Dear Mr. Rosenberg:

Mrs. Roosevelt has referred to me your letter of April 12, 1944, requesting assistance in rescuing your children from Hungary.

Your appeal for assistance in rescuing your children from the Nazis meets with the fullest sympathy of the Board. I am sure you will understand, however, that the task of the Board is so great that, of necessity, it cannot deal with problems limited to seeking out and rescuing specific individuals. The Board is directing unstinted efforts to the solution of the problems precipitated by recent developments, and I assure you that everything in its power will be done to rescue and save the victims of enemy oppression who are in imminent danger of death.

I suggest that you may wish to refer your problem to a private organization. There is enclosed a list of some of the organizations which I am advised may be in a position to be of some help to you.

Very truly yours,

J. W. Pehle

Dear Mrs. Roosevelt:-

WAR REFUGEE BOARD
APR 21 1944
DEPARTMENT OF STATE

I am taking the liberty of addressing you
in a matter of utmost importance to me.

Briefly:- I migrated to this country 4
years ago from Hungary and then I brought over 2
of my children (the son is serving our armed forces).
Four children remained in Hungary and their fate
is well known to you. I appeal to you to save my
children from the hands of the enemies of mankind.
I am willing to stand all expenses in order that
they may be brought to safety to a camp or any other
place. I appeal to you once more in the name
of humanity.

May the blessings of our Almighty be
