Dear Mr. Salamon:

I have your letter of March 11, 1945, concerning your desire to arrange for certain of your relatives, who are now in Switzerland as refugees from Hungary, to immigrate to this country.

I am sorry that the War Refugee Board is not in a position to be of assistance to you in this problem since matters of immigration are not within its jurisdiction. While I am not informed as to the facilities which may be available for this purpose at the present time, it is possible that a private organization may be able to help you to make the necessary arrangements or to give you information as to the procedure to be followed. I suggest that you seek the assistance of any one of the agencies named in the enclosed list.

Very truly yours,

William O'Dwyer
Executive Director

Dear Sir:

I have read with great satisfaction of the appointment you have just received by our President.

There has been no man who has been a better champion of the Jews than yourself. Therefore, I feel gratified to know that you are going to extend more help for my people in Switzerland who are refugees there.

I am a relative to quite a number of people who are refugees at the moment in Switzerland from Hungary. I would appreciate it very much if you could extend any help whatsoever to these people who I am now going to name. They are as follows:

Antone Salamon, Hotel Esplanade, Caux (near Montreux)
Esther Salamon " " " " "
Andrew Knopf
Elizabeth nee Salamon Knopf
Arian Knopf

My purpose of writing this letter to you is to try to gain admittance for them to this country of ours and I am very sure that they shall prove an asset to this country.

My status is such:

I am a taxpayer to the City of New York as owner of a few apartment houses. I am also connected as a food salesman with Krasne Bros. for the past 10 years. My brother, Eugene Salamon does extensive farming

at Three Bridges, N. J. My brother-in-law, Dr. F. Gruber who arrived in this country five years ago has voluntarily rendered his services to the Armed Forces of the United States and is now serving as such.

Thanking you respectfully, I would appreciate it very much if you would look into this matter for me.

Very truly yours,

LAZARUS SALAMON
