Dear Mrs. Savokis:

I have your letter of May 6, 1944, requesting the assistance of the Board in bringing your husband's relatives to the United States.

You may be interested in knowing that Camp Moses Wells is conducted by the Middle East Relief and Refugee Administration under the United Nations Relief and Rehabilitation Administration. Refugees in the camp are safe and medical care is given those who require it.

The task of the War Refugee Board is to rescue the victims of enemy oppression who are in imminent danger of death. I am sure you will understand that this task is so great that the Board cannot, of necessity, deal with problems limited to seeking out specific individuals.

I suggest that you may wish to refer your particular case to a private organization. There is enclosed a list of some of the organizations which I am advised may be in a position to be of some help to you.

Very truly yours,

J. W. Pehle

Dear Sir,

Several weeks ago I wrote to the Department of State inquiring about my husband's relatives who at the present time are refugees at Camp Moses Wells, Egypt, if they can be brought here.

At the same time which I wrote I had read in the local newspaper where they were asking our residents to permit refugees to come here.

Please inform me whether they can come under those circumstances or not.

Mr. Howard K. Travis Chief Visa Division answered my letter & said you were in charge of this department and would inform me exactly about this.

I would appreciate it very much if you would give me information.

Yours sincerely
Mrs Jerry Sawkins
