Dear Mr. Zuhl:

Mr. Allan Tarshish has recently written to me concerning your desire to have your wife come to the United States from Romania.

The Board in collaboration with the Department of State has developed a program based upon the statutes relating to the issuance of non-quota and preference quota immigration visas, calculated to aid in the rescue of the spouses, minor children, and parents of American citizens and the wives and unmarried minor children of resident aliens who are in enemy occupied territory and subject to persecution. In view, however, of recent developments in and with respect to Romania, the Board does not feel that the application of such extraordinary measures to persons in Romania is either necessary or appropriate. For this reason, I suggest that you take this matter up with the State Department.

Sincerely yours,

(Signed) J. W. Pehle

Dear Sir:

I am writing you in behalf of a friend of mine, Mr. Adalbert B. Zuhl who lives at 1662 Franklin Avenue, Columbus 5, Ohio, and who has been here in this country since December 6, 1939. His wife, Ekaterina, is still living in Brasov, Romania, Transylvania, STR, Diaconul, Coresse No. 4.

The son of Mr. & Mrs. Zuhl is now with the U. S. Army at Station Hospital R-1, Camp Pickett, Va. His name is Tiberiu Zuhl, and he is a private No. 35216683 and is a citizen of the United States.

Mr. Zuhl would like very much to know whatever procedure can be followed about bringing his wife to this country, but he understands that there is no American Consul in Romania and wondered if Mrs. Zuhl would go to the place where there is the nearest American Consul, whether this would aid in expediting her coming to America.

We would appreciate any information or details which the Zuhl family can follow in regard to having the wife and mother join with them here in this country.

May I suggest that you write to Mr. Zuhl in reply to this letter at the address mentioned in the first paragraph above.

Sincerely yours,

Allan Tarshish
