Dear Miss Bernatein:

The President has referred to me your letter of August 28, 1944, concerning the Jews of Europe.

Your interest in the fate of these persecuted people is indeed appreciated, and I assure you that the War Refugee Board is doing everything in its power to rescue the victims of enemy persecution and to find havens of refuge for them where they can remain in safety and be cared for until they can be returned to their own countries at the end of the war.

Sincerely yours,

(Signed) J. W. Pehle
