Dear Mrs. Davis:

I have your recent communication urging constructive relief to the Jewish refugees.

The interest which you have expressed in this undertaking is appreciated. I assure you that everything in our power will be done to see that effective action is taken to carry out the policy of this government to save the victims of enemy oppression who are in imminent danger of death.

Very truly yours,

Dear Mr. Pehl —

I should like to add my urgent plea to the many others flooding your desk that something really constructive be done for the Jewish refugees.

It seems to me that the United States is in a very good position to persuade Great Britain that paternalism is a good thing if it's inclusive. Palestine must be made available for the Jews, all the Jews who wish to go there.

Sincerely —
Mrs Ray S. Davis
