Dear Miss King:

I have your letter of March 29, 1944,
urging the speedy rescue of the Jewish refugees
remaining in Hungary.

Your interest in the problems with which
the Board is confronted is greatly appreciated. I
assure you that every effort will be made to achieve
the humanitarian objectives which prompted the forma-
tion of the Board.

Very truly yours,

Mr. James H. Peltz
Director of War Refugee
Board.
Washington, D.C.

My dear Mr. Peltz:

I am deeply concerned and horrified
at to what will happen to the 800,000
Jews in Hungary and that something
speedily be done to rescue them from
Germany.

The United States could so easily admit
several thousand without being over
crowded. I think we, a so called Christian
country should show the Christian spirit
by making every effort to save them.

Very truly yours,
Bertha E. King
