Dear Mr. Pehle:

The pressure of a train schedule distorted and abruptly terminated our visit. I had superficially touched on past experiences but we had no opportunity to explore the present problem.

I shall be in Washington at the Statler Hotel Sunday, Monday and Tuesday, March 12 to 14. Any of this time, day or evening, is available to you and your associates.

Would you be good enough to write me to the Statler Hotel stating when you would wish another meeting.

Yours very sincerely,
