Bern, April 18, 1945.

Dear General O'Dwyer:

I take the liberty of enclosing a sheaf of documents which are intended for Mrs. A. Silberschein whose present address in New York City seems to be c/o Hotel Wellington, 7th. Ave. & 55th. Street. Mrs. Silberschein is the wife Dr. Abraham Silberschein who left Switzerland some months ago to consult with the World Jewish Congress in the United States. She also directed a small relief organization in Geneva called the "International Committee for the Placement of Intellectual Refugees" prior to her departure.

It would be much appreciated if the Board could forward these documents to Mrs. Silberschein.

Very sincerely yours,

Roswell D. McClelland
