Dear Mr. Spagnoli:

The War Refugee Board in connection with its activities designed to rescue the oppressed and hunted people in Nazi-dominated Europe is faced from time to time with a variety of problems involving the shipping business and related matters.

Mr. William Radner, the General Counsel of the War Shipping Administration with whom some of these problems have been discussed, has suggested that you might be in a position to afford the War Refugee Board information and possibly assistance in connection with these matters.

I would appreciate it if you could arrange to come to Washington to discuss certain of these problems with us or if that should prove impossible, if you could meet with a representative of the Board in New York at some time in the near future for the same purpose.

Very truly yours,

(Signed) J. W. Pehle
