My dear Mr. Pella

The Emergency committee has you
you are honorable names in their list of
well known people

Hoping you do your best for all
the Jews. We want to have a handbook
be thinking you would be down out,
and working for a split with you
could say, "this is mine". You would
feel better & work together

Don't forget, if the Jews suffer, the
whole world follows

The future of our America, is what
they do for the Jews. History proves it
