United Polish Societies of Thompsonville, Connecticut
JUN 12 1944

My dear Senator:

This will acknowledge receipt of your letter of May 31, 1944, and its enclosures.

Since the children referred to are in British territory, their welfare is not within the province of the War Refugee Board. If Polish organizations in this country desire to remit funds for the support of such children, they are free to do so provided they first secure such Treasury license as may be required by reason of blocked nationals having an interest in the transaction. If such Polish organizations find it necessary to raise funds in order to engage in such relief activities, the matter should be cleared with the President's War Relief Control Board.

I trust that the foregoing will suffice to answer your inquiry. If I can be of any further assistance, please do not hesitate to call upon me.

Sincerely yours,

J. W. Pehle
Executive Director

Honorable Francis Maloney,
