As regards relief and rescue operations in Germany financed from the Board office in Switzerland, special medical parcels were purchased for the terrible women's concentration camp at Ravensbrück, north of Berlin - during our second six months of activity - funds were sent in clandestinely, and what was more valuable than funds, small highly prized, negotiable objects such as cheap Swiss watches, pocket knives, razor blades and holders, and the like, to help endangered persons to continue to hide and perhaps to work their way down toward the Swiss border. An intelligence service concerning the conditions in the concentration camps, the movement of detainees and the possibilities of distributing parcels where they had the greatest chance of reaching their intended beneficiaries, was developed in collaboration with a German resistance organization. Through the same group currency and objects were sent in which permitted a small number of political and racial refugees to get across the border into Switzerland.

Throughout this second period, however, as the Nazis were driven back week by week and intensified the ruthlessness of their control and surveillance, it became increasingly hard to literally rescue persons by extricating them from German occupied territory and bring them to the neutral safety of Switzerland. The situation in northern Italy in this respect was further aggravated by the presence and activities of an indigenous "Fifth Column" in the form of the Neo-Fascists and their various police bands. As in the case of the Darnand "Milice" in France they were often more vicious than the SS and the Gestapo.

Concerning WRB operations in this northern Italian zone a financial contribution was made in January to the "Women's Defense Groups" of the Milan Liberation Committee to enable them to intensify their aid to Jewish women and children in hiding and to help them meet the ever increasing and tragic load of their own imprisoned and fugitives. A few weeks before the sudden surrender of the Germans in northern Italy a new relief and rescue channel was opened up through the Valdese Church, that staunch, Protestant community settled in the mountain valleys up against the Swiss and French borders. As did the Huguenots in the Haute Loire region of France during the deportations of the summer of 1942, so did the Valdeseans in Italy shelter and protect many a tracked and desperate refugee regardless of his race or religion. Unfortunately hostilities ceased - or rather one should say happily - in northern Italy before this WRB sponsored program could really get under way.
During the first six months of the War Refugee Board's life in Switzerland some 733,935.50 Swiss francs - roughly $180,000 - were disbursed for relief and refugee operations. To this should be added the cost of slightly over 50 tons of foodstuffs purchased from the American Red Cross and used to make up our first emergency parcels for the concentration camps in Germany, which amounted to 141,747 Swiss francs, or approximately $34,000. These packages were delivered by the International Committee of the Red Cross during the early fall of 1944, and all reached the camps satisfactorily, although they were not actually paid for until May 1945. During the second six months of activity directed from our Swiss base a total of 394,769.35 Swiss francs, or about $97,700, were spent. At the same time the distribution of the better part of the 300,000 Board parcels shipped to Sweden and Switzerland-and representing considerable monetary value - for deportees and civil detainees in German-controlled areas was supervised in collaboration with the Division of Special Assistance of the International Committee of the Red Cross from Switzerland.

Very sincerely yours,

DETAILS CONCERNING EXPENDITURES IN SECTION III.

The "minor" contributions recorded in Section III of my accounts (receipt numbers 1 through 11) represent in the main, with one special exception, further grants to organizations which had received WIE funds for relief and rescue operations during the first six months of Board activity in Switzerland and referred to in my previous accounts.

Receipt No. 1 - Page 5 - November 6, 1944 reflects a payment of 1,500 francs to Tomaso Della Porta, brother of Gisella Della Porta, the woman who did our liaison work with the "Women’s Defense Groups" in northern Italy during the summer of 1944. This money was to finance a special investigation trip undertaken by Della Porta to obtain,
insofar as possible, additional, precise information concerning the camps and prisons which were used by the Germans and Neo-Fascists in northern Italy as assembly centers for deportation. I was particularly interested in having details on the camp at Gries near Bolzano which, after the closing of the ill-famed camp at Fossoli di Carpi near Modena, had become the deportation center for Jews and political prisoners. From here arrestees were regularly sent to Mauthausen and other German concentration camps.

As fate would have it Della Porta never got through but, as far as I could learn, was arrested in Turin (he had taken the "French" route into Italy) by a "Mutti Brigade," one of the many Neo-Fascist "police" organizations. I am still attempting to secure information regarding his welfare. He is the only "Board" agent we have ever lost so I feel particularly badly about it.

The payment of 2,500 Swiss francs on January 12th. to Monsignor Bernardini, the Papal Nuncio in Bern, for which I did not ask for a receipt, concerns an attempt initiated in the fall of 1944 when Sir Clifford Heathcote-Smith of the Intergovernmental Committee on Refugees of Rome was in Switzerland, to intimidate the Neo-Fascist police and obtain concessions for if not the liberation of a certain number of racial and political detainees in northern Italy. Monsignor Bernardini drew our attention to a young Italian named Bruno Kiniger (from the Trento region, hence the Austrian sounding name), who had served in Zurich as an unofficial representative for commercial matters of the Neo-Fascist "Government." Some months earlier, Kiniger had disassociated himself from the Neo-Fascists and was anxious to rehabilitate himself. As it happened he was a relative of Tullio Tamburini, former head of the Fascist police. Tamburini in turn was close to both Mussolini and General Montagna, chief of the Neo-Fascist police, and in a position to get at Buffarini, the "Minister of the Interior of the Government of the Italian Socialist Republic." According to reliable information Buffarini was beginning to have qualms of conscience concerning his personal future and accordingly might be open to intimidation or threat of eventual treatment as a war criminal. We hoped that through Kiniger an effort could be made to frighten Buffarini and thereby obtain more favorable treatment for at least those prisoners in Neo-Fascist hands. We also instructed Kiniger to bring back to us all the information he could collect concerning camps, prisons, the numbers, types and nationalities of detainees
Kiniger was also furnished with letters of introduction by the Papal Nuncio to Cardinal Schuster of Milan and one or two other important Churchmen in northern Italy, underlining the interest of the Vatican in an effort of this sort.

After some delay occasioned by one false start during which the Swiss police picked him up trying to cross the border illegally, Kiniger got through. He saw both Tamburini and Buffarini, and the latter promised to take the matter up with General Montagna. Kiniger learned, however, that virtually all of the Jews arrested for deportation were concentrated in the camp at Gries which was directly under the control of the S.S. and inaccessible to even the Neo-Fascists. It was nevertheless possible for Kiniger to obtain one immediate, if small, concession: the permission to send into the prison of San Vittore in Milan, one of the worst in the whole of northern Italy, for detainees, special medical and food parcels. Buffarini agreed to facilitate the transportation of such parcels from the Swiss border to Milan. We therefore immediately made up a shipment (soap, vitamins, insect powder, condensed milk, chocolate, sulfanilamide, vaseline, etc.) which was satisfactorily dispatched on January 18th. This purchasing was done with the assistance and through my good friend, Dr. Joseph Weill of the Union OSE. Receipt No. 5, page 5, of January 14th, for 4,000 francs reflects this purchase.

This practical aid remained about the only tangible result of Kiniger’s trip which might have had better results if we could have been in touch with him a few months earlier and sent him to northern Italy when a larger number of arrestees were still in Neo-Fascist hands.

The other Board grants recorded in this section were either made to Karl "Burkhardt" Bergmann of the "Freies Deutschland" (Receipts numbers 2, 4, 6, 7, 9, 10) committee in Switzerland or to Dr. Polak-Bahls or M. H. Gans of the "Dutch Jewish Coordinating Committee" in Geneva (Receipts numbers 3, 8, 11). Contributions to both of these groups for relief, rescue and related operations were also reflected in my previous accounts.

The financial assistance given to Karl "Burkhardt" of the "Freies Deutschland" was for three types of work:
1) maintenance in hiding of endangered racial and political refugees, particularly near the Swiss border, 2) the "passing" of such fugitives over into Switzerland (a total of 14 persons actually were brought into Switzerland between December 1944 and April 1945: 1 German, 6 Poles, 2 Russians, 2 Czechs and 3 Hungarians), including the cost of false papers and minor bribes, and 3) the operation of an intelligence service concerning the concentration camps, mainly Dachau, Oranienburg, Buchenwald and Mauthausen. Point 1) also involved the sending of compact medico-food parcels of the type shipped to San Vittore in Milan.

All three of these operations were financed not so much in currency as in kind. From the beginning of 1945 money as such had less and less value in Germany. On the other hand small, much sought after, easily negotiable objects such as pocket knives, razor blades and holders, cigarette lighters, cheap Swiss watches, wallets, aspirine tablets, small tubes of cold cream - in short hundreds of minor objects such as one can buy in the normal "Five & Dime" store at home - had a value far above that of money. I have one case on record of a young man who was fed and lodged in hiding by a family in Lorrach for two months for the price of a cheap Swiss watch costing about 25 francs! Second-hand suitcases full of such peddler's trinkets smuggled over the border (with the compliance of a sterling Swiss customs' guard) by the Freies Deutschland oddly enough served to save the lives of a good many people.

The intelligence service involved the collection of information which would be of value to us here and to the International Red Cross's Division of Special Assistance in the distribution of WRB and other parcels in the concentration camps. In this respect it was very valuable to know, for instance, what the attitude of the present camp commander was toward such relief action, who the reliable "hommes de confiance" for the national groups in the camps were, whether they enjoyed not only the confidence of their comrades but had been able to work out a certain "modus vivendi" with the camp SS officials, who among the guards and interned block leaders could be counted on or could be bribed with cigarettes or soap, which SS men were trying to "change their colors," whether items were removed from the parcels prior to delivery, were detainees forced to sign for packages they never received, and a great many other small facts which played so important a role in the satisfactory bringing of relief to these men and women.
Our last contribution of 5,000 francs to the "Freies Deutschland" on April 15th, 1945 was in the nature of an emergency grant so that advantage might be taken of situation in Germany as things began to crack up. It served principally to pay out small bribes to camp guards and to smooth the way for the "disappearance" of detainees before the last minute; drastic excesses of the S.S. were carried out. It is difficult to know how many persons were benefitted by this since in the days between April 18th, and May 5th, all sorts of escapees from all kinds of camps, prisons and work groups streamed over the Swiss border from south western Germany.

The smaller Board contributions to the "Dutch Jewish Coordinating Committee" in Geneva were less to finance rescue operations than to render possible an intelligence service of a different sort. During the course of many months this organization had slowly built up a very complete card file covering in a manner duplicated nowhere else practically all the Jewish deportees from the Netherlands, both of Dutch and of other nationalities. Their excellent efforts in this direction, for personality reasons, were very little or not at all financed by the Dutch Legation in Switzerland, but almost entirely with the private resources of a young Dutch Jewish journalist, M. H. Gans who pioneered this work. He was ably seconded by Dr. Polak-Danels who is now head medical officer of the Dutch Government's repatriation team which hopes to be able to go into Poland to search for and return Jewish deportees from Holland. Gans's work of locating or trying to locate deportees in the camps and work companies of Germany and German occupied areas was done with registered, "searcher" postcards sent out weekly in very large numbers, with prepaid answers. Out of an average of twenty cards mailed about one answer was received, which often consisted of only the official "stamp" of the Jewish Community in Upper Silesia or southern Poland. The D.J.C.C. also engaged in the smuggling of lists from Holland and Germany. Our WRB contribution was of the greatest value to them to keep this excellent work going.

Receipts No.'s 13 & 16 - Page (11), cover two grants made to the Hechaluz, the young workers' Zionist organization, which has consistently done such courageous and effective rescue work among persecuted Jewry in Poland and the Balkans. You will recall that during the first six months of Board activity from Switzerland three contributions of 100,000 francs each were made to the Hechaluz. This further financial assistance, of 60,000 frs. on December 2, 1944 and of 50,000 frs. on February 1, 1945, constituted a continuation of Board support for Hechaluz work in those areas where this organization was still able to render effective service. The first grant of 60,000 was split up as follows: 30,000 frs. to Budapest, 10,000 frs. to Prague, 10,000 frs. to Bratislava, and 10,000 frs. to Berlin. It was primarily used by Nathan Schwalb's correspondents in these cities to maintain and protect young Jews in hiding. The contribution for Berlin also served to finance the flight of six young people, 3 girls, 2 boys and 1 child to Switzerland where they arrived on March 18th. Permission for their entry had already been obtained from the Swiss police.

The WHE grant of 50,000 frs. made on February 1, 1945 helped Nathan Schwalb pay up "back" rescue bills. As was the case with most of the payments made into enemy territory, they were done by clearing with private parties. Often however, several weeks if not months elapsed before word came back that the local funds had been made available and the "donor" at the Swiss end of the line requested reimbursement. This was a situation of this sort where Romanian Lei had been advanced for rescue operations in the Arad-Timisoara area where the Hechaluz had relay points. At them Jewish refugees from Hungary being passed over into Romania were fed, sheltered, hidden, given false papers and money and sent further thanks to a certain degree of cooperation which had been "worked out" with the local authorities.

Receipt No. 14 - Page (11) - January 2, 1945. This contribution of 200,000 francs was made to Salo Mayer of the "Joint" partly to lighten the very heavy financial burden which the J.D.C. has and has always carried, and partly to enable him to take advantage of a special opportunity to buy food and clothing in Vienna and Bratislava for distribution to Hungarian Jewish deportees in Austria. Our grant was actually paid to the "Commission Mixte" of the International Red Cross, as the enclosed receipt shows. This more acceptable mode of payment, however, permitted Salo Mayer to use other funds in Vienna and Bratislava. During January and February of this year the Jews in the Vienna area...
(there were some 7,000 of them, mainly Hungarians deported from Hungary during June and July of 1944, plus a few hundred Poles) were under the control of a certain Ebner, the head of the Gestapo in Vienna. Ebner was of Austrian origin and displayed a definite willingness to cooperate in this question of assistance for Jewish deportees. The situation there was further improved by the presence of an active and capable ICRC delegate, Dr. Tudicum, who had established "cordial" relations with Ebner and whom the latter was quite ready to allow to supervise the distribution of such relief supplies. Ebner himself dug up the goods which consisted of such priceless items as shoes, suits and canned meat. We did not inquire too closely into their origin. Their price was not exorbitant, and even Dr. Löwenherz, the director of the relief service of the Vienna Jewish Community who was still on the job, amazingly enough, was allowed to have his advisory say in the distribution. All in all, the chance was too good to be missed even if somewhat unorthodox.

Receipt No. 15 - Page (11) - January 17

This was a further contribution to the excellent relief work being done in northern Italy by the "Women's Defense Groups," to which the WRB had also made grants during our first accounting period. This money was spent in much the same manner: to pay for the shelter and hiding of Jewish women and children and to give sorely needed relief to the families of Italians imprisoned, executed or deported by the Nazis and the Neo-Fascists. It was also used to make up parcels locally which were sent into the prisons in Milan, Turin, Genoa, Alessandria, Voghera and Brescia. It was not used this time to finance the liberation of patriots from the prisons since throughout the spring of this year more arms were made available to the partisans by the Allies and money could be more economically used to buy food for families and pay them small monthly allowances than spent to purchase carbines, cartridges or gasoline at very high prices. I know, of course, that a certain percentage of such funds were always used to "smooth" the way for parcels into prisons by bribing petty officials and guards. The devaluation of the Italian Lire, however, increased by such leaps and bounds that the price for buying a person out of prison became almost unapproachable, often going into several million Lire. We could, therefore, not finance work of that sort.
As described toward the bottom of page (2) of my covering letter this last Board contribution went to Pastor Guido Rivoir, a minister of the "Valdese" Protestant Church, located in Lugano. Pastor Rivoir's church has a number of hardy little communities for the most part in the high mountain valleys up against the French and Swiss borders. They are imbued with that same spirit which characterizes the Huguenot communities in France today and have always given asylum to fugitives. In Italy during Fascism and under the German occupation they did not relinquish this tradition, but rather intensified their work in behalf of the persecuted. Their particular stronghold is in the region between Turin and the Franco-Italian border where they have given shelter to a great many refugees trying to get over into France. Our WRB grant purchased a million Lire (at that time selling at 55 Swiss centimes a hundred!) which were intended to finance the hiding of refugees. As things turned out the war came happily to a more sudden end in northern Italy than we had expected so that very little of it could be used for the original purpose. I received a note from Pastor Rivoir a few days ago, however, in which he explained what he had done with the money. It reads as follows:

"I was in Italy for a few days (as he writes this under date of May 24th,) and took the opportunity of looking into the use which had been made of the funds which the War Refugee Board generously placed at our disposal to aid victims of Nazi-Fascism. This money served in part to liberate persons from the prisons of Milan. The greater part of it, however, could not be used since, thank God, the regime in northern Italy collapsed. I therefore left this money to a committee formed by Colonel Gustave Ribet, commander of the partisan troops for the Lombard region, and including Mr. Georges Feyrer, charged with the "purgation" of the Milan police "Questura," and Pastor Tron (of the Valdese Church) of the city of Milan to be distributed to persons who had aided fugitives, such persons generally being poor peasants who had lost all because of this aid given, having had their homes burned by the Germans."

Jilll Kaun has just turned over to me an amount of Swiss francs 30,656.46 transferred from a small WRB account which he had left in London. I have deposited this sum to my U.S. Government Depository Account with the "Banque Populaire Suisse" in Bern.

As far as outstanding commitments are concerned there are really only two. When the question of the Jewish refugees from Bergen-Belsen and Theresienstadt actually leaving Switzerland came up there was an immediate request from them for a great many small items including suitcases, toilet articles, clothing, shoes, etc. Sally Mayer agreed generously to cover the cost of such "departure" expenditures to the extent of 25,000 francs. I told him that I would be glad to contribute from Board funds what more was necessary. According to the latest estimate which Mr. Mayer has submitted to me this will probably amount to about 20,000 francs. I also agreed to defray cash expenditures incurred by the Swiss authorities for the train, sanitary & welfare personnel, food supplies, and like. In all this ought not to amount to more than 5,000 francs. To be on the safe side, therefore, 30,000 francs ought to amply cover any WRB expenses contingent to the departure of these refugees.

You authorized me as well to pay Herbert Katz a return fare to the United States if and when this became necessary. I should reserve about 6,000 francs to cover this.

Very sincerely yours,

Roswell D. McClelland

Cher Monsieur,

Nous avons l'honneur d'accuser réception de votre lettre du 2 janvier des plis de laquelle nous avons retiré

en un chèque à notre ordre sur Berne.

Conformément à votre désir, cette somme a été portée au crédit du compte chez nous de M. Saly Mayer de l'American Jewish Joint Distribution Committee ; nous avons noté qu'elle représente une contribution du War Refugees Board pour des achats en vue de secourir les Juifs des différentes contrées d'Europe, particulièrement ceux qui sont toujours en pays occupé par les Allemands.

Nous en informons par même courrier M. Saly Mayer.

Nous ne manquerons pas de vous donner tous nos soins à l'exécution des secours que nous allons entreprendre avec ces fonds et nous vous tiendrons au courant du suivi.

Veuillez agréer, cher Monsieur, l'assurance de notre considération très distinguée.

Dear Mr. McClelland,

In the absence of Mr. James, I am acknowledging your letter of May 3rd, enclosing a cheque value 141,474.26 Swiss francs.

I have informed the American Red Cross in Washington of the payment of this sum.

Yours sincerely,

Arthur Robinson,
Special Representative
American Red Cross
Dear General O'Dwyer:

I wished to send you a few lines to state that Herbert Katzki informed me that the Board would be happy to receive from me a further report of the expenditure of confidential WRB funds, my previous report having covered only the period up through the end of October, 1944.

I have this request of the Board very much in mind and will send you an accounting report at the earliest possible moment. During the past several weeks, however, the pace of the work has been such that it has unfortunately been impossible for me to find time to draw up these accounts and write up the necessary accompanying explanation of expenditures. The final critical weeks of the situation in Germany which we are now living through have kept Herbert and me on the job pretty much day, night and Sundays included, and probably will for the next few weeks. I shall, nevertheless, do my best to get off a financial report to you during May. This report will cover the 6 months' period of November 1st, 1944 through April 30th, 1945.

Very sincerely yours,

Roswell D. McClelland
Special Assistant to the American Minister.

CONFIDENTIAL

Brigadier General William D. O'Dwyer
Executive Director

To: Charles Beard
Washington 25, D.C.
Bern, May 2nd, 1945.

Dear General O'Dwyer:

During August of last year the purchase of about 50 tons of foodstuffs salvaged from the Intercross steamer CRISTINA was arranged with the American Red Cross both by the Board in Washington and by me here. This food was rapidly made up into parcels by the ICRC's Division of Special Assistance and shipped most successfully during September and October 1944 into various concentration camps in Germany. Reports concerning this distribution were submitted to the Board at that time.

In connection with the question of paying for this food the Board authorized me (see Department's 2872, WRB's 135, August 21, 1944) to reimburse the American Red Cross in Switzerland for it out of WRB discretionary funds at my disposal. Since last summer, however, although I have asked repeatedly for a bill in the desire to clear my books of an unpaid commitment of this size, I have never been able to get one out of Amcross. In a preliminary financial report submitted to the Board in Legation's 7754 of November 25, 1944 I referred to this matter, estimating that the bill for the 54,756 kilograms of food would amount to about 250,000 Swiss francs.

I have now finally received, through the ICRC, Amcross's bill which comes to Swiss francs 141,474.28, less happily than I had estimated. I shall therefore pay Amcross within the next two or three days. I enclose for the Board's information and files the ICRC's letter plus a chart giving the item and cost of the distribution per nationality group of the beneficiaries.

Very sincerely yours,

Roswell D. McClelland
Special Assistant to the Minister.

Dear Mr. McClelland,

Referring to your letter of August 23rd, 1944, concerning the fifty tons of stores from S.S. "Cristina", I have pleasure in handing you a statement showing how the goods, totalling 54,756 kilograms weight, were allotted to the various nationalities and the money value of each allotment.

The 25,600 parcels made up with the goods to hand were not all of a uniform type; it is therefore not possible to fix an average price per parcel. The total value of the stores, which is to be reimbursed to the American Red Cross, amounts to 

Swiss francs 141,474.28

I should be grateful if you would kindly arrange for the repayment of this sum, as was agreed, either to the International Committee (reference no. ZA 00/129), or direct to the American Red Cross, through Mr. Robinson, their representative in Geneva.

Believe me, dear Mr. McClelland

Yours sincerely,

Dear Mr. McClelland:

The copies of your accounts of expenditures made from discretionary Board funds which you sent to us with your letter of November 27, 1944, have been studied with considerable interest.

With respect to your request to be advised as to whether or not the record is sufficiently detailed, we have found the accounts with the supporting receipts and the supplementary information which you submitted entirely satisfactory. We are pleased with the manner in which you have handled the funds and with your report of the way in which they were utilized.

Sincerely yours,

Bern, November 27, 1944.

Dear Mr. Pehle:

I am pleased to enclose for your confidential information and for the records of the War Refugee Board two copies of my accounts of expenditures made from discretionary W.R.B. funds placed at my disposal. This accounting covers the first six months - May 1st. through October 31st., 1944 - of W.R.B. activity in Switzerland.

I also attach 31 receipts (numbered) corresponding to the amounts recorded as having been disbursed.

Please let me know if this record is sufficiently detailed. Only in one case, fortunately, was it not possible to secure a receipt for a contribution made. In several cases, however, it has not been possible to secure as detailed information as I might have desired as to the use made of our W.R.B. contributions. Under the circumstances as they exist in Europe at the present time I am afraid this was to be expected.

Very sincerely yours,

Roswell D. McClelland
Special Assistant to the American Minister.

* This item of publicity included in particular a series of 6 reports concerning the Jewish persecutions in Hungary which I issued "unofficially" during June, July and August. They appeared in English, French and German and were distributed to various persons and organizations in Switzerland in a position to act on public opinion. We also brought out 2 more reports during this period on the political situation in Hungary with specific emphasis on the anti-Jewish and Fascist tendencies of the various governments since March 19, 1944. When mailing facilities permit I shall forward copies of these reports to the WNB through the pouch.

SUPPLEMENTARY INFORMATION with regard to individuals and organizations having received contributions from WRB discretionary funds and uses to which this money was put.

(According to the receipt numbers used on the previous pages).

Receipt No. 6 (May 15 - Page 2) Dr. Pollak-Daniels, who came to Switzerland clandestinely, via Belgium and France, during the latter part of 1943, is co-director of a small, but well organized relief committee specializing in assistance to Dutch Jewish refugees and Jews of other nationalities coming from Holland. Since the needs of their organization in Holland itself were fairly well covered by grants from Mr. Saly Mayer of the J.D.C., I filled in with a small monthly contribution which served mainly to finance "passeurs" along the French-Swiss border for such incoming refugees. 200 francs a month went to enlist the cooperation of a Swiss customs officer who served in the "refoulement" and "sorting" camp of Crofette in Geneva. Here refugees crossing the border illegally are cross-questioned and "sifted" with a view to determining who shall be pushed back across the border into France. Thus with a few hundred francs a month in the right place about 30 people, who might otherwise have been "refouled" were admitted to Switzerland.

Since the liberation of France which has brought the flow of refugees into Switzerland from that country to a stop, Dr. Daniels' committee (he works with a Mr. Gans - see Receipt No. 31 of Oct. 11 - of the "Dutch Jewish Coordinating Committee) is expanding its parcel work and "postcard location" of Jewish deportees in German occupied territory. Further contributions to this organization may not be necessary in the future as they have some promise of receiving additional funds from Dutch sources in Great Britain.

Receipt No. 8 (June 21 - Page 2) Karl "Burkhardt" (a "nom de guerre") is in charge of the relief and rescue section of the "Freies Deutschland" committee in Switzerland. I have known K.B. for a number of years as he was previously in contact with the Quaker Center in Berlin. This group, which has little in common with the Moscow group except the name, is made up of German political refugees of all parties at present in Switzerland. It operates, of course, illegally in Switzerland and maintains close relations with Germany and with resistance groups inside Germany. Our WRB contribution has helped them to pass particularly endangered political refugees across the border into Switzerland (mainly between Basel and Singen) for a number of months. Since the events of July 20th, the number of individuals to be brought in has increased and probably will. Getting them across the Rhine is also becoming more expensive. I am at present working with the FD on plans to send in more relief to endangered persons hiding in Germany along the border.
Receipt No. 12 (Aug. 16 - Page 3) Stefan Eisenberg is the President of the Hungarian students' organization in Zürich. When it became known late in July that persons holding Palestine Certificates in Hungary might be allowed to emigrate this committee was very active in sending collective telegrams to Palestine in an attempt to secure Certificates for the relatives in Hungary of various of their members. This WRA contribution was made to assist them with covering the cost of these wires.

Receipt No. 17 (May 22 - Page 3) Jean-Jacques Jaeger was representative in Geneva of the "Franco-Fireur Partisan" Resistance group (Communists) for the Department of the Haute Savoie. As such he was extremely helpful in hiding refugees along the French side of the border and in getting them across the frontier into Switzerland. This WRA contribution of 2,000 Fr. went mainly for their own people in order to enlist their cooperation in "passing" foreign refugees over. As was generally the case with French Resistance organizations one could not ask them to aid foreigners without at least offering to assist them with their own well-nigh insurmountable relief problems, as hundreds of their own people, particularly if they belonged to the FTP were tortured, shot and imprisoned by the Gestapo and the Milice.

Receipt No. 20 (October 7 - Page 3) This grant was made for the purpose very similar to the above. The partisan groups fighting along the northern Yugoslavian border, up against the Hungarian frontier, were quite willing to assist in any way possible with rescuing endangered Jewish refugees. Their own material situation, however, was such that they could scarcely do it without receiving help themselves. This shipment of medical and restorative products, therefore, was split up between their own people and incoming Hungarian Jewish refugees. Although it seems difficult to believe, the lines of communication between Switzerland and northern Yugoslavia were better than between Italy and this region, with the result that a considerable amount of medical goods (the shipments had to be compact) was sent from Switzerland via Chiasso and Trieste, with the collaboration of Italian partisan groups.

Receipts No's 21 & 22 (May 21 & Aug. 7 - Page 4) The first of these contributions was made to enlist the invaluable assistance of the Spanish partisan groups operating along the whole chain of the Pyrénées from Corbère to Hendaye in France with the passing of Jewish refugees into Spain. The second contribution of 10,000 Fr. was, according to my agreement with Manuolo Ascerati, the representative of the Spanish "Comité d'Union National" in Switzerland, to be split two ways, half going to finance "passing" and the other half for relief to imperiled Spaniards in the prisons and camps in southern France (and there were unfortunately many of them). These contributions had really more concrete
results than some of the others since, with assistance from other Jewish organizations such as the World Jewish Congress and the JDC, close to 700 persons were passed successfully over the mountains into Spain.

Receipt No. 23 (Aug. 12 - Page 4) Mr. Royall Tyler is on our Legation staff, as you probably know, representing F.E.A. and later the U.N.R.R.A. He has very close contacts with France and I was very happy to be able to place this sum of 5,000 frs. at his disposal for assistance to French Gestapo victims and their families.

MAJOR GRANTS

Receipt No. 24 (June 24 - Page 4) This large contribution from W.R.B. funds to the relief and rescue activities of the French Resistance was paid to and handled by Charles Guillen (whom I have known personally for some years, particularly from the period I worked in France) as representative in Geneva of the relief section of the "Conseil National de la Resistance," and Madame André Philip as delegate, at that time, of the COSOF ("Comité des Oeuvres Sociales des Organisations de Résistance"). The 200,000 Swiss francs realized approximately 12,000,000 French francs which were spent as follows:

3,000,000 to the Social Services of the M.U.R. (Mouvements Unis de la Résistance)."
2,050,000 to the relief activities of the "Front National" and Cooperative Groups.
100,000 to the "France d'Abord" group.
500,000 to the relief section of the "Etat Major des Postes, Télégraphes et Téléphones" at Lyon. This was a resistance organization made up from the personnel of the postal telegraph and telephone services. They accomplished excellent and dangerous information and sabotage work and were consequently particularly tracked by the Gestapo and Milice. A great many of their members were tortured and killed by the Germans.
200,000 to the resistance group from the SNOP (Société Nationale des Chemins de Fer Français) - the French railroads. They did work similar to the post & telegraph organization which was of great value.
500,000 to the "Mouvements Prisonniers," a group specializing in assistance to men and women imprisoned by the Germans by sending them packages of food, cigarettes, etc.
The second installment, which went into France consisted of 200,000 to individual relief cases in the northern "Zone".

200,000 to individual relief cases in the "Ami Chretiennes in Lyon, an inter-confessional group formed to assist French Jews, I know their work at first hand, to individual relief oases in the Northern "Zone".

200,000 to the "Oeuvre des Prisons de Lyon" a smaller organization doing work similar to that of the group previously mentioned, but limited to the city of Lyon.

The need for such individual relief was really tragically urgent and under-financed in France during the resistance period. Let me take two oases at random from among those reported to me as having been assisted with our WRB funds, to give you an idea of how this money was spent.

1) The case of Family C, in Paris. Father arrested in October 1942 by the Gestapo, and after 8 months in prison at Paris, deported to the concentration camp of Sachsenhausen-Oranienburg near Berlin, where he was hung by his feet and beaten. After his hanging, his wife was also arrested and died of undernourishment in the prison of "La Tourelles" in Paris. This couple left behind two children aged 4 and 7, who are being cared for meanwhile.

2) The case of Maurice Th., a member of the Paris section of "Cercle de la Liberation," arrested and imprisoned at the end of August 1942 by the Gestapo, interrogated and tortured, his fingers of both hands had been crushed, his ribs broken, his spinal column injured, and his pelvis fractured. In the course of interrogation, the Gestapo had hung him by his feet, and after his hanging, had broken several ribs, fractured his spinal column, and fractured his pelvis. His two children aged 4 and 7, are being cared for meanwhile.
roughly 5,000,000 French francs and was distributed mainly in the region of Lyon during the month of August. The principal disbursing agent was Malle Germaine Ribiére, head social worker in that area for the GOSOR. She divided these funds up among the following organizations: "Amitiés Chrétiennes," "Œuvres des Prisoners de Lyon," CIMADE ("Comité Inter-Mouvement Après des Evacués"), an excellent Protestant organization which has always done fine work in France particularly for foreign refugees, including a great many Jews, by hiding those in danger of deportation, securing false papers and ration cards for them and passing them over the border into Switzerland, and the "Service Social d'Aide aux Émigrés," the French branch of the International Migration Service, which does work somewhat similar to that of the CIMADE in France. A sum of 500,000 French francs went to Père Godard, as representative of Cardinal Gerlier, and director of Catholic relief work in that city and environs. This sum was largely instrumental in organizing the release of some 200 wounded prisoners whom the Germans were keeping at the Hospital of Antiquaille in Lyon awaiting their sufficient recovery so that they could be executed. 

I should perhaps not have made so substantial a contribution to the "Conseil National de la Résistance" in France if I had known at that time that the major part of our WRB discretionary funds had been generously contributed by the American Joint Distribution Committee. On the other hand, knowing the "Joint" and the spirit in which they have always done their work I feel that they would approve.

Receipt No. 28 (June 30 - Page 5) These 75,000 Swiss francs were sent into Northern Italy at the beginning of July through the Communist representative of the Milan Liberation Committee in Switzerland and carried by the representative of a resistance group known as the "Gruppi di Difesa della Donna," Gisella della Porta. As far as I know they realized in the neighborhood of 6,000,000 Italian Lire since the current "rate" at that time against Swiss bank notes in Italy was around 80 Lire per Swiss franc.

I asked Madame della Porta that these funds be used (among other similar projects) for the protection of Jewish women and children in danger of deportation, and that we were very interested in the escape of as many Jewish refugees as possible into Switzerland. To-date, however, due to increasingly disturbed conditions along the Italo-Swiss border only 7 cases, numbering some 18 persons, have turned up in Switzerland sent by the Women's Defense Groups.

It was also of course understood that part of these funds could be used (and were to be used) for assistance to endangered Italian political refugees and prisoners, to aid with their release, hiding, maintenance, parcels to them while in prison and the like.
Receipt No. 25 (continued)

Although it has only been possible to receive somewhat fragmentary reports from Northern Italy concerning the exact expenditure of these funds, I was able to learn that a sum of 500,000 lire was devoted to smuggling relief parcels to Jewish internees in the ill-famed prison of San Vittore in Milano, in the camps of San Martino di Rosignano Monferrato (near Alessandria) and Fossoli di Carpi—whence I had specially requested—near Modena.

Another portion of this amount was allotted to the job of "springing" political prisoners from various prisons—generally in the smaller towns—in Northern Italy. According to reports received, the following liberations were effected in whole or in part with WRB funds:

1) July 24, at Abbiategrasso near Milan, a group of the GAP (Gruppi d'Azione Patriotic) released 4 political prisoners;

2) August 8, at the prison of Breno (Provincia of Brescia), 14 political prisoners liberated;

3) August 18, at the local prison of Fossano (Provincia of Piemonte), 9 political prisoners released;

4) Sept. 15, at the local prison of Saluzzo (Provincia of Piemonte), 8 prisoners all condemned to death for having operated an clandestine printing press.

As in the case of France, about 30% of our WRB contribution went toward the urgent support of the wives and children of Italians who had been deported or executed by the Neo-Fascists or Gestapo. A part was also used to relieve the inhabitants of small villages "sacked" as reprisal by the SS, or Fascists. I enclose one typical receipt of this type of aid attesting to the fact that the Commander of the 49th, Garibaldian Brigade, Giambone Detachment, delivered 30 kilos of butter and 12 kilos of tobacco to the "population of the village of Peletto struck by the Nazi-Fascist incendiaries."

I hope eventually to receive more complete reports as to the use of this contribution, but it is becoming more and more difficult (and particularly dangerously compromising) to get written reports of this nature through.

Receipt No. 26 (July 4—Page 5) Noel Field, Director in Switzerland of the Unitarian Service Committee has for some months been supporting a group of German political refugees in France who have been doing very creditable rescue work among endangered foreign refugees in Southern France. Our 10,000 WRB francs went through very satisfactorily and a receipt was received dated July 18th.
These funds served principally to maintain persons in hiding and to finance the escape of 9 political refugees to Switzerland and 2 to Spain.

Receipt No. 27 (July 5 - Page 5) This was the first of three major contributions to the "Hechaluz" Jewish organization made through their representative here in Switzerland, Nathan Schwalb. The primary purpose of these contributions (see Receipts 29 and 30 of Aug. 10 and Oct. 3 respectively), as reported in Legation's 5542, August 17, 3 p.m., 1944, was to finance the flight of Jewish refugees from Hungary into Rumania. To a much lesser extent they also helped send a number of Jews to Slovakia where the situation in the early summer was much more favorable for the Jews than it later turned out to be, and to finance the bringing of a small number of Jews across the Silesian border into Slovakia. The funds were sent to Budapest and Bratislava in both Swiss franc and dollar currency which were about the only two notes with which effective rescue work could be accomplished. All the money safely reached its destination (for which I am most thankful as generally in work of this type one has to allow for some loss occasionally when a courier is stopped or searched) as it was almost all sent by neutral diplomatic couriers (Turkish, Swedish and Swiss and occasionally the Nunciature's pouch to Bratislava). Roughly I should say that this contribution of 300,000 francs in all enabled about 2000 persons to escape to Rumania, 250 to Slovakia and some 500 into Northern Yugoslavia, although complete figures are lacking.

Receipt No. 28 (July 20 - Page 5) As set forth in Legation's 4666 of July 21, 3 p.m., 1944 this contribution of 42,500 Swiss francs was paid to Dr. Jean Kopecky, officially delegate of Czechoslovakia to the League of Nations and less officially representative of the Czech resistance organizations in Switzerland. Dr. Kopecky of the World Jewish Congress also contributed a similar sum. These funds were employed to enable the Czech partisans to rescue Jews (capture of the camps of Sered and Novaky) and to provide a certain amount of liquid cash for the Central Jewish Office (Ustredna Zidov) in Bratislava. I should estimate that it saved the lives of close to 1500 people, although it is hard to know how many of them later fell into German hands when the situation in Slovakia grew more serious for the Jews. With reference to the use of these funds see also Legation's 5819 of October 8, 9 a.m., 1944.

Receipt No. 31 (October 11 - Page 5) This grant to the Dutch Jewish Coordinating Committee in Geneva was in the nature of a deposit to permit this organization to put up the necessary guarantee for the transportation of 50 Dutch Jews from the camp of Bergen-Belsen, to Switzerland. It begins to look more and more, however, as
Receipt No. 31 (continued)

though these funds would not produce the desired result. The plan was organized by a Swiss named Trumpy who has connections with SS circles in Germany and claimed very convincingly that he could arrange the transportation of Jews from Bergen-Belsen at an expense of 1,000 Swiss francs per person, the money to remain in Switzerland. We were even given assurance that any payment after the war could be blocked since we would be supplied with the necessary information as to the persons in whose names the money would be deposited (if and when the 50 people arrived in Switzerland) with Swiss banks. I am afraid that recent military developments, however, have rendered the carrying out of this plan most doubtful since even an SS man in the upper brackets would have great difficulty in organizing the transportation of 50 persons to the Swiss frontier. In case this project falls through (and the due line has been set at December 15th) these 50,000 francs will come back.

*****

As reported in Legation's 7764, November 25, 11 a.m., I had, as of October 31st, outstanding unpaid commitments of approximately 40,000 francs for medical parcels to be sent to camps of unassimilated persons in Germany and the cost of the 54,756 Kgs. of salvaged CRISTINA goods which Mr. James of the American Red Cross in Geneva has not yet collected for. I should imagine that these foodstuffs would be worth at least 5 francs per kilo, which would make about 273,780 francs which the WRB still owes Amoross. I assume that Mr. James has not yet asked to be reimbursed for these goods as he is awaiting specific instructions from Amoross as to the price per kilo which should be set.

I have just allotted 50,000 francs to Nathan Schwalb of the Hechaluz, in the main for Budapest, but in part for Berlin where there are still upwards of 200 Jews in hiding who are in contact with the Hechaluz. Their situation is, of course, exceedingly precarious. It is hoped that a small group of young people may be brought to Switzerland (the Swiss have already declared themselves willing to let them in) within the course of the next few weeks.
