Dear Mr. Andrews:

Reference is made to Mr. Sherman's letter of May 16, 1944, addressed to us, a copy of which I am enclosing, concerning financial arrangements set up between your office and the War Refugee Board.

Mr. Katzki has now returned to this country and the only reimbursement we seek is that of his return trip. There was no charge for his air passage out, but since then, charges have been established by the ATC for such travel. In accordance, therefore, with our arrangement, will you please remit to us the amount of \$747.24 payable as follows:

David White, Administrative Officer,  
War Refugee Board.

Very truly yours,

David White  
Administrative Officer

Mr. Horace Andrews,  
Office of Strategic Services,  
1211 Temporary "Q",  
Constitution and 26th Streets,  
Washington 25, D. C.

Enclosure.

MEMORANDUM TO THE FILES

At 9:30 today, March 12, 1945, I met with Mr. Penrose, Office of Strategic Services, to discuss financial arrangements in connection with sending Mr. Katzki to Switzerland. Mr. Penrose agreed that the Office of Strategic Services will pay the cost of his transportation to and from Switzerland and that we are to assume all other costs. Mr. Penrose is writing me a letter to this effect.
