

F. TAYLOR OSTRANDER PAPERS

1931-2007 and undated

Acc. No. 11-13

The papers were presented to the Library by F. Taylor Ostrander. Copyright in these materials has been transferred to the United States Government.

Quantity: 8.76 cubic feet

Restrictions: None

Collection Description: This collection contains materials documenting the career of F. Taylor Ostrander, an economist and expert on international trade and monetary policy. Included in this collection are materials related to Ostrander's service in the Treasury Department, the Defense Finance Department, Office of Price Administration, War Production Board, War Shipping Board, and Office of the Alien Property Custodian during the Franklin D. Roosevelt administration. Also included in this collection are materials related to Ostrander's work for Pittsburgh Plate Glass Company during World War II as an adviser on wartime and postwar tax and labor policies.

Related Materials: President's Official Files; President's Secretary's Files; Henry Morgenthau, Jr., Papers and Diaries; Adolf A. Berle, Jr., Papers; Sumner Welles Papers; Gardiner Means Papers; Isador Lubin Papers.
