

Records of  
PRESIDENT'S SPECIAL COMMITTEE TO STUDY  
THE RUBBER SITUATION

1942

Accession Number: 61-20

The records of the President's Special Committee to Study the Rubber Situation were accessioned by the National Archives and placed in Record Group 220. On March 9, 1961, they were transferred to the Roosevelt Library. These records are in the public domain.

Quantity: 7 feet

Restrictions: These records contain material which is closed in accordance with National Archives General Restrictions.

Related Materials:

President's Official File  
President's Secretary's File  
Leon Henderson Papers  
Oscar Cox Papers
