THE UNDER SECRETARY OF STATE  
WASHINGTON

October 15, 1943

Personal

Dear Miss Tully,

I am sending to you herewith by hand  
the package of dehydrated onions that we  
discussed on the mountain. I am sorry  
about the delay, but they have just arrived.

Someday at your convenience I want to  
bring Bob Lynch, my assistant, and Margaret  
Siewers, my personal secretary, over to  
meet you so that we can all give your office  
prompt and efficient service at all times.

With best wishes,

Sincerely yours, +20

E. R. Stettin

Dear Mr. Secretary:

Please let me thank you again for your great kindness in sending me a copy of your book, "Lend Lease". Up to now, I have only had a chance to glance through it. I think it is well done and should prove interesting and educational not only to me, but to a great many others like myself who had no idea of the tremendous job this country undertook to furnish supplies of all kinds to our allies.

I am glad you are back "on deck".

With all good wishes to you and Mrs. Stettinius,

Sincerely yours,

Grace G. Tully

Dear Miss Tully,

I am sending herewith by hand, both your copy of the Lend-Lease book and the President's which I had hoped to deliver myself but am unable to do so since I haven't yet quite thrown off the 'flu bug.

I would appreciate it if you would bring the President's book to his attention as soon as possible as I am very anxious for him to see it before it is publicly announced next Tuesday.

With many thanks and best wishes,

Sincerely yours,
