THE President-elect and the Vice President-elect have expressed the wish that all of their friends who will be in Washington for the Inaugural Ceremonies will be with them at the Inaugural Ball. For this reason the Inaugural Ball has been expanded from the National Guard Armory to the Sheraton-Park and the Mayflower Hotels.

The President and the Vice President will attend the Ball with their official parties at all three sites. Your tickets will inform you in which one of the three locations you will greet the President, the Vice President and their families.
