Mr. C. W. Jones

This will acknowledge receipt of your  
letter of the 7th instant together with copy  
of letter which you have written to Mr.  
James A. Farley.

As you can well understand, I am very busy  
with legislative matters at the present  
time, and the subject matter of your letter  
must necessarily be handled by Mr. Farley  
who has full authority in this connection.

I have communicated with him today and am  
asking him to write you at once.
