MEMO FOR THE PRESIDENT:

Hall Roosevelt telephoned that he had just had a conference with Murray Van Wagner and that Van Wagner is afraid because he hasn't heard from you that you feel he has let you down! Hall seems to think it would be a good idea (if you can and want to) to give this gentleman a pat on the back.

Van Wagner also wants you to know that he is ready to do anything you want done re Program--- Highway or Aviation Program or anything at all.
