[VAN WAGNER]

Missy:

Hall Roosevelt suggests that instead of mailing check to him---to save you time and work and make it more convenient for him--you could mark it "for deposit only" and give it to a messenger to deposit to his account at the Riggs Bank.

MEMO FOR THE PRESIDENT AS FOLLOWS:

That Van Wagner who is running for Governor of Michigan called and from what Hall indicated would like to be given a pat on the back so that he won't feel persona non grata. He suggested that it might be done through the National Committeeman whom I don't think has done anything in this direction up to the present time. Hall wants the President to know this incase he wants to do something about him. He also said that Michigan might for the 2nd time go Democratic.
